

Technical drawing of a stone structure (Pos. STON2) showing dimensions and construction details.

Dimensions:

- Overall width: 2.25¹
- Overall height: 2.97
- Height of stone structure: 2.57
- Height of base layer: 0.40
- Height of base layer (sturzzone): 0.40
- Height of base layer (kieskoffer): 0.25
- Height of base layer (sauberkeitsschicht): 0.10
- Height of base layer (flüssigbeton): 0.10
- Height of base layer (fundament): 0.10

Construction Details:

- Pos. STON2
- G=8,50to
- Struktur Special
- OK Gelände ±0,00
- Sturzzone 40cm hoch
- Kieskoffer bauseits
- Sauberkeitsschicht
- Flüssigbeton C16/20
- Fundament
- frostfrei gegründet
- bauseits erstellen
- nach Herstellerangaben

Diagram illustrating a rectangular area with dimensions and a central irregular shape (likely a rock or object). The overall dimensions are 7.27⁴ (Safety Area) by 7.25¹ (Safety Area). The central irregular shape is contained within a dashed rectangle with dimensions 2.50 by 2.50. The text indicates a required area of approximately 43 m³.
